2025 POOL UPDATE

The Board of Directors and the Sea Devils have agreed on their 2025 contract. This means the pool will be heated effective 4/14/2025 when the Sea Devils begin their Spring Clinic. The Sea Devils pay \$38,800.00 to Danville Station (DST) for the use of the pool from 4/14-10/24/2025. By allowing the Sea Devils access to the pool facilities it allows for the pool to open earlier in the year and keep the pool open until late fall. Please refer to the schedule below.

We are continuing with Pool Monitors. We believe that owners can continue to take responsibility for their own pool safety. By staffing in the peak season, it allows the monitors to ensure the overall pool area is kept in order. We will continue with a sign-in process when the Monitors are on duty.

Have a safe swimming season and please be respectful of other owners and the facilities.

Regards,
 Danville Station Board of Directors
